### **Award Recognizes Outstanding Contributions to the Financial Sector**

NEW YORK, Dec. 19, 2024 (GLOBE NEWSWIRE) -- Binah Capital Group, (NASDAQ: BCG) ("Binah" or the "Company"), financial services enterprise that owns and operates a network of industry-leading firms that empower independent financial advisors, is proud to announce that its Chief Executive Officer, Craig Gould, has been recognized by the *InvestmentNews Hot List*, which honors the top financial professionals in the United States. This prestigious distinction highlights Mr. Gould's visionary leadership, industry expertise, and outstanding contributions to the financial services sector.

The *InvestmentNews Hot List* celebrates financial professionals who have demonstrated exceptional innovation and influence in the investment industry. Under Mr. Gould's leadership, Binah Capital Group has achieved significant milestones, including a successful public listing earlier this year, significant growth, and the development of robust network of broker-dealers, insurance brokerages, and advisory firms, establishing itself as a trusted partner in wealth management. Mr. Gould's strategic vision and commitment to innovation continue to drive the Company's success and strengthen its industry influence.

"I am deeply honored to be recognized among such an impressive group of financial leaders," said Mr. Gould. "This achievement reflects the collective dedication of our team at Binah Capital Group. Together, we strive to redefine excellence in financial services and deliver a platform for advisors seeking true independence."

Since its inception, Binah Capital Group and its subsidiaries have recognized and supported the generational shift toward independence within the financial services industry, empowering advisors to make business decisions that allow them to operate and monetize their practices effectively. Mr. Gould's inclusion on the *InvestmentNews Hot List* is a testament to the Company's unwavering commitment to true independence, advisor success, and transformative growth.
